R.A.D. form

Use a NEW PAGE for each resource.

Name:_____ **Date:**_____

Step 1: Bibliographic Citation. (Only fill out the information you need for the type of source you are using. For example, if it's not found on the Internet you don't need an Internet address.)

_____. "_____."
(NAME of the author) (TITLE of the article or title of the page from a "free web" site)

_____.
(TITLE of the book, reference book, newspaper, magazine, or entire "free web" site)

_____:_____,
(PLACE it was published for a book or reference book.) (PUBLISHER for a book, reference book or database)

_____/_____/_____. _____/_____/_____.
(DATE it was published for ALL resources) (DATE you visited ANYTHING on the internet)

http://_____.
(URL for ANYTHING on the internet)

- If you think you are missing some information, fill in what you can find and ASK FOR HELP!

Step 2: Collect notes and information. (Use the back of this paper or another method if you choose.)

Step 3: Plan your next steps.

Write about…
- …questions you have about your research.
- …information you need to find.
- …resources you want to use.

Research And Discover!
